THE 1971 VIKING

MARYSVILLE, HIGH SCHOOL
Marysville, Michigan

All I could see from where I stood
Was three long mountains and a wood;
I turned and looked another way,
And saw three islands in a bay.
So with my eyes I traced the line
Of the horizon, thin and fine,
Straight around till I was come
Back to where I'd started from;
And all I saw from where I stood
Was three long mountains and a wood.
Over these things I could not see;
These were the things that bounded me;
And I could touch them with my hand,

Almost, I thought, from where I stand.
And all at once things seemed so small
My breath came short, and scarce at all.
But, sure, the sky is big, I said;
Miles and miles above my head;
So here upon my back I'll lie
And look my fill into the sky.
And so I looked, and, after all,
The sky was not so very tall.
The sky, I said, must somewhere stop,
And--sure enough!--I see the top!
The sky, I thought, is not so grand;
I 'most could touch it with my hand!

And, reaching up my hand to try,
I screamed to feel it touch the sky.
I screamed, and--lo!--Infinity
Came down and settled over me;
And, pressing of the Undefined
The definition on my mind,
Held up before my eyes a glass
Through which my shrinking sight did pass
Until it seemed I must behold
Immensity made manifold;
Whispered to me a word whose sound
Deafened the air for worlds around,
And brought unmuffled to my ears

The gossiping of friendly spheres,
The creaking of the tented sky,
The ticking of Eternity.
The world stands out on either side
No wider than the heart is wide;
Above the world is stretched the sky,--
No higher than the soul is high.
The heart can push the sea and land
Farther away on either hand;
The soul can split the sky in two,
And let the face of God shine through.

from "Renascence"
Edna St. Vincent Millay

We dedicate our 1971 Viking to you:

To the loyal supporters who cheered or cried for our teams at a sports events.
To the student who struggled to achieve his scholastic goals.
To the teachers who were always there, as friends or as faculty members.
To the administration, whose patience never ran out and who listened to our problems, no matter how small.
To the special service people who made our school something to be proud of.
To the club or organization member who made the heart of our school beat a little faster with their constant activities.
To the people who participated in sports, who made Fridays game days something to look forward to.
To the people who made our dances lively and fun.
To the alumni who look back with pride.
To the people who hold their heads a little higher because they are from Marysville.
To anyone who has ever walked through Marysville High School and who understands the beauty and aliveness of it.

ACTIVITIES

It's a Small World

Elisabeth Morand, our exchange student, is from Thier, France. Her parents are Mr. and Mrs. Andre Morand, and she has two older sisters, Christiane and Martine.

Liz is living with Barb Carrier and her family during her stay in America.

In her spare time Liz likes to go to movies or swim. However, her main interests are reading and baking.

After she graduates, Liz wants to major in English, hoping to become an interpreter.

Liz also saw other sections of our country while she was here. She went to Niagara Falls during the Labor Day weekend and to Florida during Easter vacation.

Charleen McHenry, a senior, was chosen by the Marysville Women's Club to go abroad as the Youth for Understanding representative last summer.

Heppenhein, Germany, was her home for the summer. While she was there, she lived with Dr. and Mrs. Ulrich Steiner and their three children--Martina, Gudrun, and Roland.

During her stay she attended classes with her sister Martina. In her spare time she went sightseeing and swimming.

Charleen would like very much to go back and visit her family when she has a chance.

Lynn Schuman, a senior, flew to Europe this summer for six weeks with the American Institute for Foreign Study.

While she was in Europe, she visited Italy, Switzerland, France and England.

When in Italy, she saw the Vatican City and other places of interest.

As she toured Switzerland, Lynn sailed on a cruise of Lake Leman. She also attended a Fourth of July festival.

In France the group visited such places as the Eiffel Tower and the Palace of Versailles.

During her visit to England, Lynn went to the Westminster Abbey Cathedral.

Editors Kay Robbins, Barb Carrier and Charleen McHenry surprise Mrs. Bellow with a Happy Birthday.

Looking over completed ad pages are Kay Sprotberry, Ingrid Yon and Elaine Shimmel.

Lorraine Butler, Kathy Brown, Diane Wojcik and Chris Blues work after school.

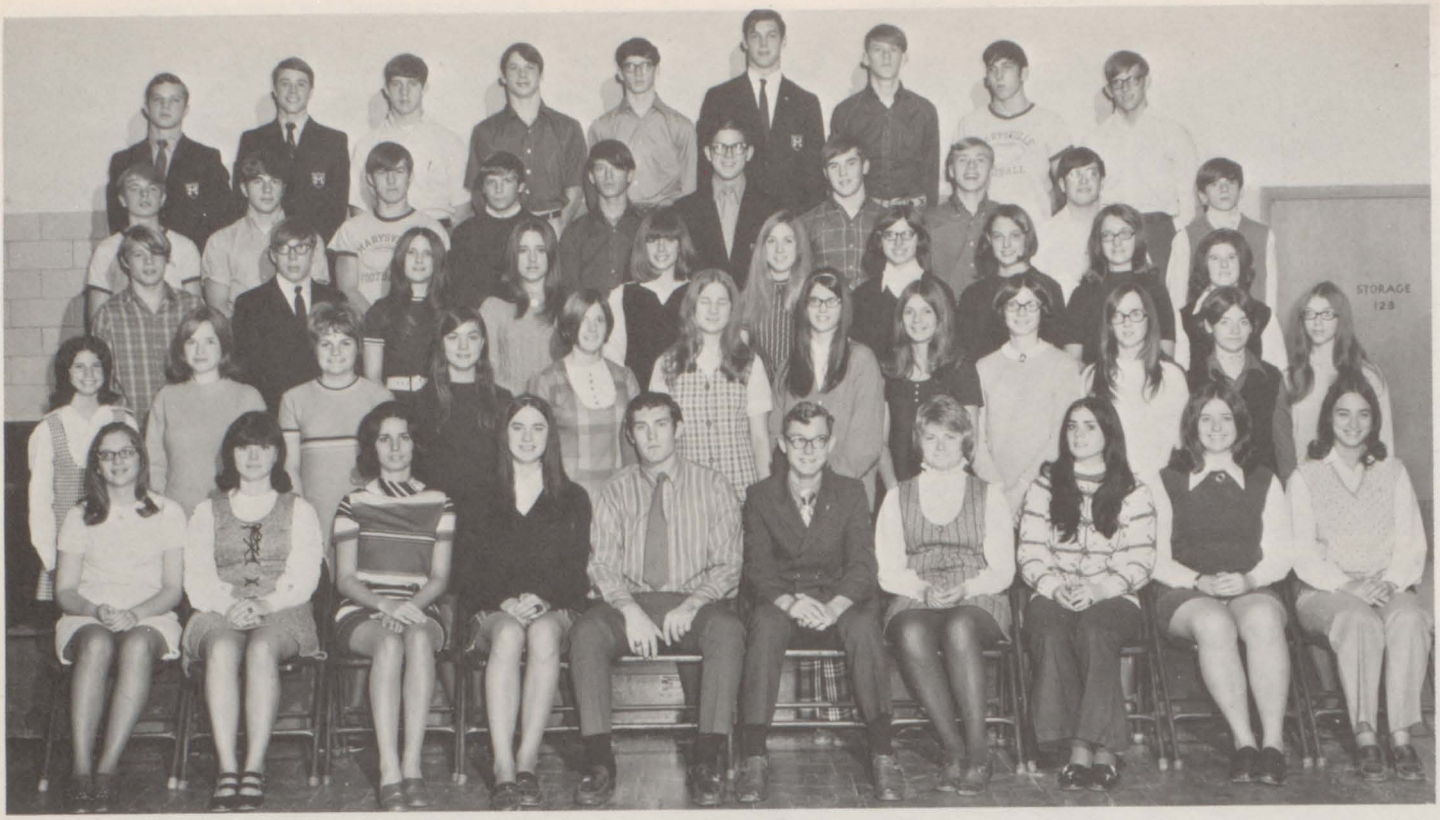

Devotion and dedication, along with moments of tears and joy by staff members, has produced as an end result--this book.

To celebrate the school's 50th year, the staff wanted a special book. Color pictures, ads, more pages were included and new photography equipment was acquired. Work was begun last spring for this year's edition.

Tragedies arose often, but the final product is the proof of success.

Council Gives The Students A Voice

The 1970-71 Student Council started the year off right with a beautiful 50th year Homecoming celebration. The committee, headed by Cindy MacDonald, decided on the theme "Those Were the Days." The parade for the public and students of Marysville made Homecoming 1970 a great success.

The annual Christmas Dance was next on the agenda. "Dreams of a White Christmas" was chaired by Mary Thompson. The dance, which was held at the Marysville Intermediate School, was highlighted by a visit from our very own Santa Claus.

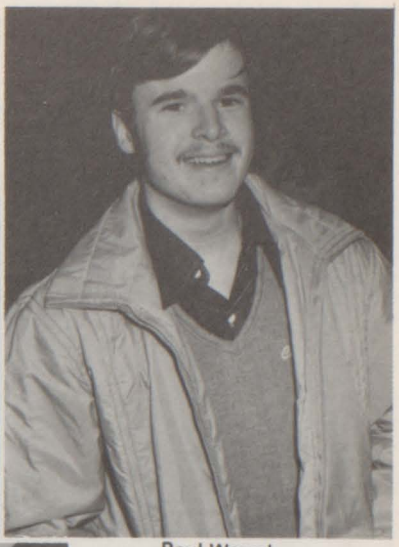

The many accomplishments of this year's Student Council were the renting of vending machines, the selling of beanies and T-shirts, and also the establishment of a noon-hour program in the recreation room. Viking Week was again a success as a result of a combined effort of all the members and Chairman Bruce Goodin.

Quill and Scroll - Leaders in Journalism

Kay cut the cake.

The old members: Charleen McHenry, Barb Carrier, Kay Robbins.

The new members: Janette Venia, Mary Thompson, Lynn Schuman, Jane Harmon, Janet Reid, Pam Bryan.

Quill and Scroll is an international honorary society for high school journalists. The purpose of the society is to reward and encourage individual achievement in journalism. The Omer P. Bartow chapter of Quill and Scroll was chartered on October 15, 1964. To become a member, a student must be of junior or senior qualification and in the upper third of his high school class. He also must have done distinctive work in some phase of high school journalism. He must be recommended for membership by the advisor of journalism work in his high school and he must be approved as being worthy of membership by the society's executive officer.

Membership in Quill and Scroll involves a responsibility which members must not forget—the duty to devote oneself to the welfare of the school and to any other group or community to which a person may later belong. To be a leader in a real sense, a member must acquire background for judging and interpreting the events of the day.

At Marysville High School the new Quill and Scroll members are given a surprise initiation. They also receive a monthly Quill and Scroll magazine and a silver charm.

A Touch of Elegance

Queen Wendy

And Sparkling Beauty

This year's radiant Queen Wendy Miller reigned over the memorable 1970 Homecoming. Surrounding her is her lovely court. Standing at Queen Wendy's right is Mary Sawdon, a most enthusiastic Freshman majorette. Continuing clockwise, Sophomore Melanie French represented her class not only as a homecoming representative, but also as a class officer. Wendy Breckner, a most charming Senior candidate, represented her class well. Lovely Linda Siler is the third senior candidate, who, with her warm smile, graced the court. Also a senior member of the court is Elisabeth Morand, who is our exchange student from France. Lovely Beth Knox, representing the Junior Class, added the final touch of elegance.

Homecoming

"No Lion; We're Roaring for a Victory" placed first in the annual homecoming float competition. The Senior float was constructed at Janet Reid's home and many Seniors contributed their time and effort in making the float successful. First prize of twenty-five dollars was awarded to the Senior Class.

Tying for third place was the float by the Sophomores which was located at Denise Lapointe's home. The Sophomore Class received a prize of ten dollars.

Volkswagens disguised as baby bulls illustrated the spirit of the Varsity Club. Number 36 represents our mighty fullback, Don Goniwicha.

The Cheerleaders' float, entitled "Cheer 'Em On To Victory," was another competing entry this year. It was assembled at Janette Venia's home.

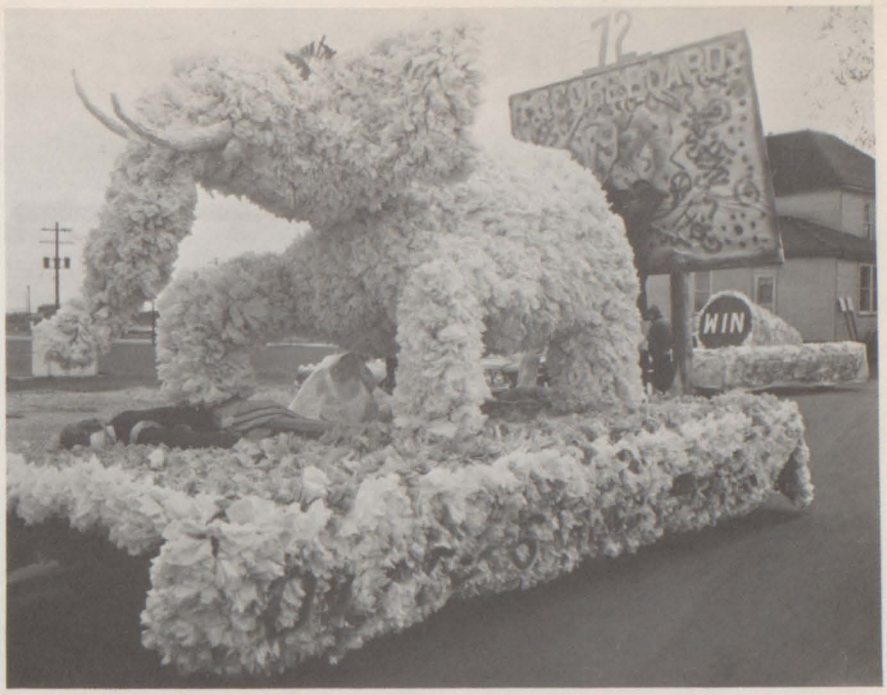

Homecoming festivities began with the Thursday evening Viking March. The cheerleaders and the Varsity football players led the march through Marysville, stopped at the designated class areas, and then proceeded to the stadium for a short, but spirited, pep rally.

Friday followed with a parade in the afternoon organized by our Student Council and led by our ever-faithful MHS Band. The parade required much planning and hard work, but it paid off with the beautiful showing of homecoming floats and, of course, our lovely class representatives.

Mr. Viking made his first appearance of the season at the afternoon pep rally. Dean Smith carried the head on his shoulders and also took delight in wearing the ancient Anglo-Saxon attire which was designed and constructed by Senior Bob Rowe. Spirit rose sky high and the afternoon pep rally proved to be a success.

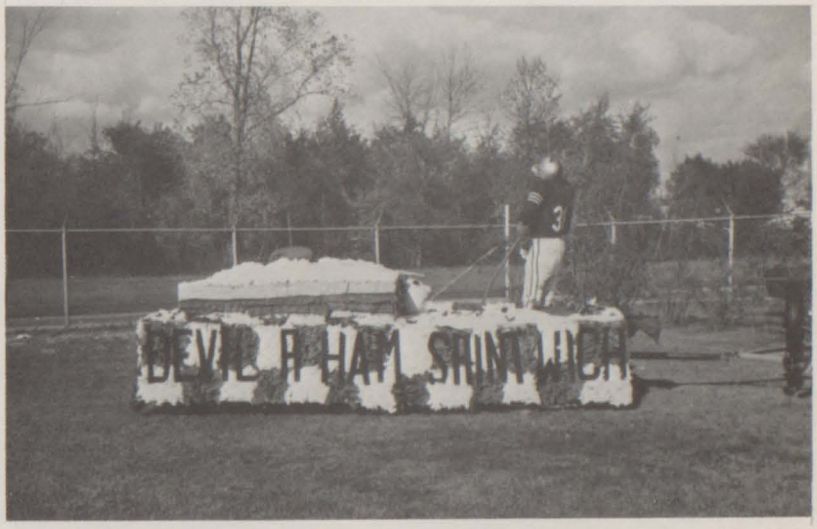

Highlights

"Only the Strong Survive" was the Junior Class theme. The Juniors were awarded fifteen dollars for their second place showing in the contest. The assembling of the float took place at Chris Goodmen's home, where much planning was done to create such an original theme and design.

The other Varsity Club contribution was a VW representing powerful halfback Number 48, Ron Kukulka.

Also tying for third place was the Art Club float. The construction site was Cornelia Bishop's home, and the Art Club received a ten-dollar prize.

Spirit was certainly plentiful at the game. Cheering echoed through the stadium and our team played as proud Vikings should. We emerged as victors, with the score Marysville 41-St. Clair 12.

Pre-game activities included the presentation of homecoming queens from the past ten years. Half-time ceremonies provided excitement for all. The speaker announced the float winners and the band advanced to its place on the field. The highlight of the evening was the crowning of our 1970 Homecoming Queen--lovely Wendy Miller. Queen Wendy and her court reigned over the annual homecoming dance where music was provided by a rock band called the "Northwest Passage." Each representative, accompanied by her escort, walked the golden path to the throne.

Cindy MacDonald, together with the Student Council, was largely responsible for the well-planned organization of homecoming events. In years to come, memories of Homecoming 1970 will fondly be recalled.

Although their float failed to place, the Freshmen showed a great deal of homecoming spirit. The float was constructed at Pam Partain's home.

The Vikings had a very impressive season this year as they battled to undisputed possession of second place. The team demonstrated great potential, spirit, hard work, and team co-operation. Under the fine leadership of Coach McDevitt, the Vikings overwhelmed their opponents.

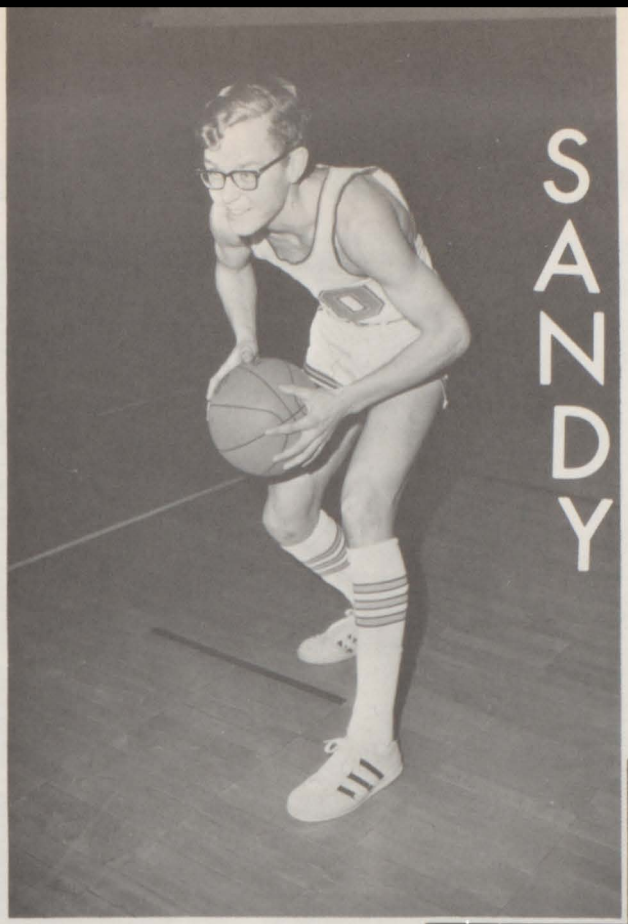

The most impressive player for the Vikings this season was six-foot senior Mark Neal. He led the team in making the most points, steals, rebounds, free throws, and field goals. Mark was the highest scorer this year with 271 points. He also made the most steals with 60. Neal took rebound honors with 185. He totaled 95 field goals and gained a free throw record of 81 for 127 attempts.

Sophomore Mark Turnbull had a terrific season. He led the team in making the most assists with 62. By the time Mark reaches his senior year, he should prove to be one of Marysville's top basketball players.

Co-captains Dan Cooper and Mark Neal inspired the team through the season. After the close of an exciting season this year, the Vikings are looking forward to a very promising one next year.

Cheerleaders Light the Fire!

The 1970-71 Varsity Cheerleaders have been very active. During the summer they attended Camp All-American at Walden Woods, Hartland, Michigan. Our Cheerleaders won two blue ribbons - one for their pom-pom routine and one for talent. While attending camp, the girls learned new cheers, chants and mounts which were more difficult. During the year's pep meetings the Cheerleaders entertained us with their two new pom-pom routines - one to the theme record "Hawaii 5-0" and the other to "Aquarius."

The Cheerleaders came up with original themes like "Breakfast of Champions." To each of the boys on the basketball team and the coach, they gave a box of Wheaties.

This year the Cheerleaders took part in Homecoming activities by entering a big megaphone in the float competition. In addition to the float, the Cheerleaders surprised the Varsity football team by decorating the Varsity locker room. Balloons, posters and crepe paper were used to pep the team to a Viking victory.

Our Cheerleaders also contributed to a charitable cause by selling spirit tags. MHS Cheerleaders were very energetic this year.

Sharing the honors as the Most Outstanding Cheerleader of 1970-71 are Lynn Schuman and Janette Venia.

Dennis Parniske provides a consistently low score for the team's total.

Dennis Perry follows through on one of his long drives.

The only sophomore of the four lettermen, Dan Butler, starts his swing for a shot.

Dan Tobiczyk checks out his club before continuing play.

The experience of this year's team with four lettermen and other returning golfers led to an exciting season. The team played hard, hoping to return to compete in the state finals as in the previous season.

Outstanding this spring was the fact that the four lettermen for this season will return again next year.

This year's team was coached by Mr. Ray Martin.

There were many returning lettermen that added to the team's success. Next year we hope to see the same effort and team spirit that we had this year.
